About ICCIE

The 1st International Conference on Computer and Information Engineering (ICCIE 2017) on 23-24 November, 2017 is an attempt to expose the recent advancement and innovation throughout the vast area of computer and information technology. It is expected to be an intellectual platform to share or exchange ideas and present the latest findings and experiences in the mentioned areas. World's leading creative educators, researchers, consultants, training managers, policy makers, curriculum developers, entrepreneurs and others in computer science and engineering education are likely to participate in the spark discussion.

CONFERENCE OBJECTIVES

- Follow-up the latest advances in computer and information engineering.
- Exchange information and expertise among participants.
- Strengthen the relationship between academics and entrepreneurs.
- Focus on engineering education in the new millennium.
- Promote local entrepreneurship.

SCOPE

ICCIE 2017 invites papers from all the areas related to Computer and Information Technology. The scope of the conference includes but not limited to:

- Algorithms
- Artificial Intelligence and Expert Systems
- **Big Data**
- Bio-informatics
- Biometrics
- Cloud Computing
- Combinatorial Optimization
- Computer Architecture
- Cyber Security
- Computer Forensics
- Computer Graphics and Animations
- Data Mining and Warehousing
- **Data Privacy**
- Distributed and Parallel Computing
- Digital Signal and Image Processing
- Evolutionary Computing
- Geographical Information System
- **Grid Computing**
- Human Computer Interaction
- Internet and Web Applications
- **Internet of Things (IoT)**
- Mobile Computing
- Natural Language Processing
- Network Security and Cryptography
- Neural Networks and Fuzzy System
- Pattern Recognition and Machine Learning
- Robotics and Computer Vision
- Social Network Analysis
- Software Engineering
- VLSI
- Wireless Communications

IMPORTANT DATES

| | |
|----------------------------------|----------------------|
| Submission of Full Paper | 31 July, 2017 |
| Notification of Acceptance | 10 October, 2017 |
